Hello,

Since 1958, the Monterey Jazz Festival has been dedicated to changing lives through music and empowering young people to achieve their full potential. Held every September, the Monterey Jazz Festival is the longest running jazz event in the world. **Festivities kick-off Thursday evening, September 26, with the 13th Annual Jazz Legends Gala held at The Tehama Golf Club in Carmel.** This event traditionally sells out -- often before invitations are mailed!

The Gala begins with a VIP reception, silent auction and raffle, and then dinner with the evening's featured performing artists. This year, Jazz Legends Kenny Barron and Dave Holland will be honored, and world-recognized artist Christian McBride will present the awards. The evening's final act will be a special performance by Jazz Artist Bria Skonberg, one of the hottest musicians on the scene.

Proceeds from this event fund the Monterey Jazz Festival's extensive education programs serving 3,000 students in our most under-resourced communities. By supporting this event, you will help bridge the achievement gap in schools for students who need our support the most.

Would you consider donating an item to our Silent Auction? We will recognize you in our Gala Program and on the video display behind the screen. Your item will be featured in a festival display to entice our 200 guests!

Thank you for considering this request. We look forward to having you join us. We are grateful for your generous support.

Kind Regards,

Amy Donohue, Development Director (831.233.3715)

PS. Don't hesitate to contact me or anyone on our event team if you have any questions!
